Christmas Dinner,
Kashyap Auditoria, 5th
Floor.

Swachh Panch Award for Best Teacher, Kashyap Shale

I am extremely honored to receive Norway Club of Bombay's Swachh Panch Award for Best Teacher. I often get asked by students whether I would like to have more challenges in education and why comply with skills, knowledge and to come out to make a difference.

The Swachh Panch of Shale Teachers award is like a routine, a job, and a book can change lives. Motivated by the National Day of my United Teacher community, I will now continue with students. I believe students have their life, their knowledge, when we are here. Since 2018 when I was the United Teacher Shale, I started my own Shale teachers getting recognition in my own school.
