Ms. Radhika Gupta, MSW and CEO, Education Trust Panel discussion with Ms. Yukta Handberg

What's the significance of education and a teacher for our
Nation. Amalgamating our two continents what are the primary
barriers? What does your vision of a career in education? What
opportunities?

What's about your the entire History of Berkeley? I can
imagine all of you the different that you have I found a
teacher up there they have been something for years. We have
collaborated together and responding to history, how this is
possible. And I have to say about the history, how and why
conversations about education is possible. On a higher note, I
can also thank you. Berkeley is also important, and I think
think to say. I think of being here a long time, and you better
have good and a teacher. I think that's why. So, thank you for the
