

— THE PRESIDENT'S ADDRESS —

Legacy. Trust. Purpose. Service.

A year where we **come together** not just to do more, but to **do better**. To serve not just with effort, but with purpose. And to ensure that everything we do leaves behind something meaningful.

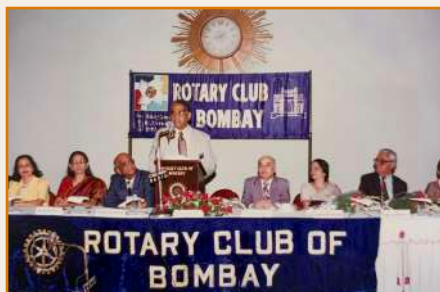

President Manish Reshamwala

Thank You!

As I begin this journey, my first words are simply: thank you.

Thank you for the trust you have placed in me by giving me the opportunity to serve as President of the Rotary Club of Bombay. It is an honour, but more importantly, it is a responsibility that I accept with humility.

This is no ordinary Club. It has shaped lives, built enduring institutions and quietly transformed communities for nearly a century. As I step into this role, I do so with deep respect for the legacy entrusted to me.

Installation of PP Rajnikant Reshamwala

A Journey Shaped by Rotary

Rotary has been part of my life for as long as I can remember. My mother devoted herself to social service and was an active member of the Inner Wheel Club of Bombay. My father, Past President Rajnikant Reshamwala, dedicated many years to Rotary, particularly through Sleeping Children Around the World (SCAW).

As a youngster, I accompanied him to meetings and projects, helping wherever I could. I may not have fully understood Rotary then, but I remember the warmth, fellowship and quiet dedication of members who gave their time without expecting recognition. Those experiences shaped my understanding of service.

My own journey began in 1989 with the Rotaract Club of H.R. College. Like many Rotaractors, I joined for the friendships but stayed because of the service. My first project with the Rotary Club of Bombay was Bhavishya Yaan, where I saw children

discover confidence and ambition. It reinforced one simple truth: Rotary does not merely help people, it changes lives.

A Theme with Purpose

Our theme this year, Where Service Becomes a Legacy, reflects exactly what I hope we will achieve together.

The torch in our logo represents leadership passed from one generation to the next. The hands symbolise fellowship, trust and partnership, while the laurel leaves represent growth, sustainability and honour. Together, they remind us that everything we undertake should leave a lasting impact.

Building on Strong Foundations

The Rotary Club of Bombay has always been known not simply for activity, but for meaningful impact. Projects such as Talwada, Cotton Green, Bhavishya Yaan, Ananda Yaan, Cancer Aid, Adult Literacy, IT Innovation, Dialysis Centres and the

Integrated Village Development Project have transformed lives for decades.

Rather than launching numerous new initiatives, my focus will be on strengthening these established programmes. As the saying goes, it is far better to dig one deep well than ten shallow ones.

Projects That Continue to Transform Lives

At Talwada, we are expanding both education and healthcare through improved facilities at Taparia College and a new state-of-the-art medical centre. Our Cotton Green Clinic, PRVEC Eye Centre and dialysis initiatives will continue providing quality, affordable healthcare to thousands.

Bhavishya Yaan enters an exciting new phase with the inauguration of the Abhyudaya School at Worli and the launch of Bhavishya Yaan 2.0, enabling us to reach many more municipal school students.

The Integrated Village Development Project remains especially close to my heart. By bringing solar electrification, water conservation, livelihood opportunities and sustainable infrastructure to remote villages, it creates self-reliant communities. This year, we will expand IVDP to fifteen new villages as we continue our journey towards one hundred villages by our Centenary Year.

We also hope to establish a fourth Ananda Yaan Centre in South Mumbai, extending companionship and meaningful engagement to more senior citizens.

Healthcare will remain one of our highest priorities. Alongside our ongoing paediatric heart, cancer and neurosurgery initiatives, we are working towards launching a programme with Wadia Hospital to support corrective surgeries for children born with club foot. Every child deserves the opportunity to walk confidently towards their future.

Fundraising with Purpose

Service begins with compassion, but it succeeds through resources, planning and execution. Every contribution we receive represents far more than financial support. It represents trust.

This year, I hope to formally recognise donors who contribute directly to our Club's projects alongside those who support The Rotary Foundation. Their partnership makes our work possible, and it deserves to be celebrated.

Strengthening Fellowship

Just as important as service is inclusion.

Our senior members built the foundation on which our Club stands today. Their experience and wisdom remain invaluable, and I hope to welcome many of them back into our regular meetings and activities.

Alongside service, fellowship remains central to Club life. We have an exciting calendar of trips, cultural evenings and social gatherings planned because strong friendships strengthen our ability to serve.

With Gratitude

As I begin this journey, I remember my mother with great affection and thank my father for inspiring my Rotary path. I remain grateful to Sudesh Aunty and Ramesh Uncle, my sister Manali, my close friends, fellow Rotarians and Rakhee's family for their constant encouragement.

Above all, I thank my wife, Rakhee, whose guidance and unwavering support have made this journey possible, and my daughter, Anushka, who keeps me grounded in today's digital world.

Our Year Together

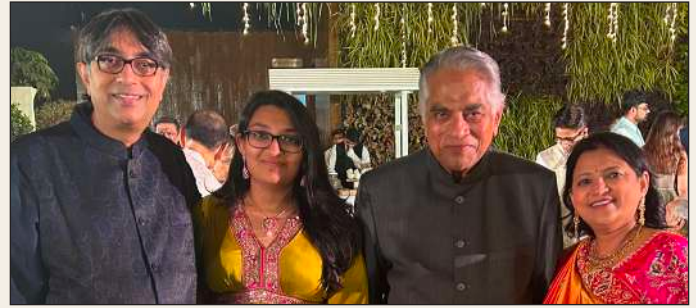

I do not see this as my year.

I see it as our year.

A year in which we strengthen what already exists, build on the remarkable work of those who came before us, and leave behind something that continues to make a difference.

Because that is what the Rotary Club of Bombay has always stood for.

Not just service. Service that becomes a legacy.

For Manish, family is his foundation, his strength and the constant force behind every step of his journey.

If you have met Manish Reshamwala, chances are you have walked away smiling. Warm, easy-going and full of life, he has a natural ability to put people at ease. Whether in a serious discussion, a Rotary meeting or a casual conversation over coffee, he brings a sense of calm, warmth and perspective that makes people instantly comfortable.

At 55, Manish has built a life rooted in integrity, discipline and quiet confidence. A First Class B.Com graduate from H.R. College and a Chartered Accountant, he currently leads R.C. Reshamwala & Co. as Managing Partner, carrying forward a firm founded by his father over five decades ago. While he values legacy, Manish has always believed in creating his own path, combining experience with a practical and grounded approach.

Professionally respected for his clarity and dependability, Manish is someone people naturally turn to for balanced advice and thoughtful guidance. He believes deeply in learning, mentoring and sharing knowledge, values that have shaped both his professional and personal journey.

But beyond work and leadership roles, Manish is defined by something far simpler: his ability to make people feel comfortable. He is approachable,

grounded and genuinely enjoys meaningful connections. He values relationships deeply and believes that trust, consistency and kindness matter more than grand gestures.

At home, Manish's greatest strength lies in the support system around him. His wife, Rakhee, a successful financial professional, insurance consultant and wealth advisor, has been his strongest pillar of support. Sharp, perceptive and deeply dependable, she brings balance and perspective to his life. As Manish fondly jokes, her guidance and occasional "orders" are often what keep him on course. Their daughter, Anushka, brings energy, warmth and a fresh perspective to the family. Bright, driven and deeply involved in

Rotary herself, she shares a special bond with her father. Manish often credits her with keeping him up to speed with technology, presentations and the ever-evolving digital world.

An avid reader, passionate traveller and photography enthusiast, Manish enjoys life's simple pleasures. Whether planning his next trip, enjoying a good book or spending time with family and friends, he brings the same enthusiasm and curiosity to life that he brings to everything else.

In a world that often feels rushed and noisy, Manish stands out for his calm presence, steady nature and genuine warmth. And perhaps that, more than anything else, is what draws people to him.

WISHES FROM ROTARY INTERNATIONAL

RI President
Olayinka Hakeem Babalola

“ Dear Rtn. Manish Reshamwala,

Congratulations on your installation to the office of President at the Rotary Club of Bombay, Maharashtra, India. You have been appointed to this role because of your commitment to our global organisation and your tireless efforts to expand Rotary's reach, champion peace, and Create Lasting Impact. Thank you for all you do.

As you step into this new position, I encourage you to be better than your best. While we traditionally celebrate clubs that raise the most funds, attract the most members, or run the biggest projects, the healthiest competition is not between clubs at all. It is between ourselves. It is between our past and our present, what we have already accomplished and what we have yet to achieve.

We often share how Rotary inspires lasting change in communities, but we rarely discuss how it transforms us. Consider how Rotary has changed your life and helped you be better than your best and share your story widely. If we can do that, we will engage current members, expand our reach, forge exciting connections with like-minded partners, and solve some of the world's most pressing challenges.

Let us continue to Create Lasting Impact through Rotary—across the globe, in our communities, and in ourselves. I look forward to working alongside you in service.

Warm regards,

Olayinka H. Babalola
President,
Rotary International 2026-27

“ Dear President-elect Manish and Fellow Rotarians of the Rotary Club of Bombay,

My heartfelt congratulations to the Rotary Club of Bombay as you approach an incredible milestone of 98 years of Service Above Self. The Rotary Club of Bombay is a pride of our region and a club with a rich legacy of leadership, service, fellowship, and generosity. Over the years, your many signature projects have transformed lives and created lasting impact in communities across India and beyond.

As one of Rotary's most distinguished clubs, you have consistently set benchmarks in membership growth, meaningful service projects, and contributions to The Rotary Foundation. On behalf of the countless beneficiaries whose lives have been touched by your efforts, I extend my sincere gratitude to every member of your Club.

I also wish to acknowledge and appreciate the leadership of all the 98 Presidents who have guided this great institution over the years. My

warm congratulations to Rtn. Manish R. Reshamwala as he prepares to lead this iconic club. While the term of a Club President lasts only one year, the opportunity to make a difference lasts a lifetime. Give your very best, lead with passion, and make your club shine even brighter.

As you move forward, I encourage you to effectively implement Rotary's Action Plan, strengthen your contribution to the End Polio campaign, and continue building Rotary's future through youth engagement. Establish more Rotaract Clubs, promote the strategic vision of 1 Rotarian : 2 Rotaractors : 3 Interactors, and use platforms such as RYLA to inspire and empower young leaders. By investing in youth today, we ensure the strength and sustainability of Rotary tomorrow.

My congratulations to the Editorial Board of The Gateway for continuing a wonderful tradition of informing, connecting, and inspiring your members. I wish President-elect Manish, his leadership team, and every member of the Rotary Club

RI Vice President
AKS Er Muruganandam M (MMM)

of Bombay a successful, impactful, and memorable Rotary year 2026-27. And before the year concludes, I look forward to joining you in person at one of your club meetings.

The Rotary of today is different from the Rotary of yesterday and the Rotary of tomorrow cannot, must not, be the same as the Rotary of today. Rotary will continue to evolve.

— Paul P. Harris

“It is a privilege to extend my warm greetings to the members of the Rotary Club of Bombay as you embark on another year of service, leadership and fellowship.

Chartered in 1929, the Rotary Club of Bombay is not merely one of Rotary’s oldest clubs in India; it is an institution that has consistently shaped the Rotary movement through vision, commitment and action. As the Club prepares to welcome its 98th President, it does so with a rich legacy of excellence and an even greater opportunity to shape the future.

The Rotary Club of Bombay has long demonstrated how sustained service can transform communities. Through impactful initiatives in education, healthcare and community development, including projects such as Bhavishya Yaan, Integrated Village Development and Paediatric Heart Surgeries, the Club has touched and enriched countless lives. These initiatives exemplify Rotary at its best, service that is thoughtful, sustainable and far-reaching.

I am particularly delighted to note the Club’s extraordinary support of The Rotary Foundation. Crossing US\$1.5 million in contributions this year and achieving a cumulative contribution of over US\$10 million is a remarkable accomplishment. These contributions strengthen Rotary’s ability to improve lives and create opportunities across the world.

As we begin Rotary Year 2026–27 under the theme “Create Lasting Impact,” we are reminded that our success is not measured by the number of projects we undertake, but by the difference those projects continue to make long after they are completed. Lasting impact comes from building stronger communities, empowering future generations and creating solutions that endure.

I encourage the members of this great Club to set even higher goals, embrace innovative ideas and continue to lead by example. With its rich heritage, dedicated membership and culture of excellence, the Rotary Club of Bombay is uniquely positioned to create meaningful and enduring change.

Great clubs are remembered not for what they achieve in a single year, but for the legacy they leave behind. I am confident that the Rotary Club of Bombay will continue to inspire Rotarians everywhere through its commitment to service, generosity and leadership.

I wish the President, Board and members a successful and impactful year ahead.

KP Nagesh
Rotary International Director

WISHES FROM THE DISTRICT & RCB

District Governor Rajan Dua

A dynamic and visionary leader, DG Rajan Dua's journey reflects resilience, service and the courage to dream big. Guided by the philosophy, "One Life, One Chance," he steps into this prestigious role with a commitment to inspire Rotarians through action and meaningful impact.

A leading developer with successful projects across Mumbai, Pune and Goa, Rajan believes in taking responsibility, embracing challenges and learning from every experience.

His Rotary journey began in 1999 and soon became a way of life. Having served across all avenues of service, he has held several key leadership positions, introduced 58 new members to Rotary, and maintained a remarkable 100 per cent attendance record.

A defining milestone was the Rotary Centennial Race in RY 2016–17, which raised USD 2.1 million for The Rotary Foundation in a single day.

Supported by his wife, Preeti, and daughters Disha and Prericka, Rajan envisions a year of stronger fellowship, transformative service and lasting impact.

“As we embark on our Regal Journey together, I wish to express my deep admiration and gratitude to the members of the Rotary Club of Bombay.

As the oldest and the largest Rotary Club in our district and our country, RC Bombay occupies a unique place in Rotary history. For decades, you have set benchmarks in service, leadership, and impact. The scale, quality, and vision of your projects have made not only our district but the entire Rotary world proud.

What makes RC Bombay truly special is not just the extraordinary work you do, but the way you lead. You have always believed in taking others along, inspiring clubs to dream bigger, serve better, and grow stronger. Your success has elevated Rotary far beyond your own Club.

A special word of appreciation for our Regal President, Manish Reshamwala. Warm, approachable, and genuinely humble, Manish leads with grace and sincerity. Beneath his unassuming personality is a determined go-getter who brings people together and inspires action through friendship, trust, and example. I have no doubt that under his leadership, RC Bombay will continue to strengthen its remarkable legacy.

“Stop complaining. Work with passion.” — RC Bombay has lived this philosophy for generations. You have never waited for opportunities—you have created them.

As we move forward into this Regal Year, I invite RC Bombay to continue leading from the front and actively participate in our district initiatives. Your experience, wisdom, and leadership have the power to inspire and strengthen clubs across the district. Together, we can create an even greater impact.

Our mission remains Peace —

- **Peace for those who need us the most,**
- **Peace for our Rotary family,**
- **Peace within ourselves.**

Thank you for all that you have done and all that you will continue to do for Rotary.

Rajan Dua,
Regal District Governor
Rotary International District 3141

“ Dear Manish,

Katharine Hepburn once shared a childhood memory that stayed with her all her life. While waiting to buy circus tickets with her father, they stood behind a family that could not afford enough tickets for their children. Quietly and without seeking recognition, her father dropped a \$20 bill, picked it up, and told the man he had dropped it. The grateful father accepted the gesture with dignity, and though Hepburn and her father gave up their own outing, they returned home richer in a way that money could never measure.

That story has always reminded me that the finest acts of service are often the quietest. They are done without expectation, without applause, and simply because helping others is the right thing to do.

As you begin your year as President, I know these are values you understand well. I am confident you will lead with generosity, humility and purpose, while strengthening the spirit of fellowship that has always defined our Club.

May this year bring meaningful service, enduring friendships, and the satisfaction that comes from making a lasting difference in the lives of others.

With my warmest wishes to you, Rakhee, Anushka and your entire team for a memorable and successful Rotary year.

Warm regards,

Smart, large-hearted, jovial and loud immediately come to mind when I think of President Manish Reshamwala.

Having worked closely with him over the years, I have known Manish to be intelligent and capable in his thought process, which culminates in quick action. Rotary is part of Manish's blood, and leaving a legacy was inevitable. Thanks to his wonderful and doting father, PP Rajnikant Reshamwala, Manish has been hands-on and has chaired many committees, where he has immersed himself in their various projects.

Of course, with Rakhee and Anushka by his side to lend him unlimited support, Manish will blossom as the President of our prestigious Club.

“

It is truly fitting that President Manish has dedicated his year to the legacy of service.

It reminds us what Rotary is all about. Service in every way to the less fortunate.

The Rotary Club of Bombay has a great legacy of service, ranging from medical care to student enrichment, elder care to rural upliftment, and many useful services in between.

But Manish himself epitomises legacy.

His father, Rajnikant Reshamwala, was a distinguished President of our Club.

And Manish himself has worked hard and earned his stripes.

He has helped several Presidents, including me, achieve their goals as an outstanding office bearer. He has chaired important committees, and I refer to this because all this legacy of service will definitely be brought to make a stirring difference to the activities of the Rotary Club of Bombay.

My best wishes, and those of every Rotarian, are with him in the coming year.

Heartiest congratulations on assuming office as President of the Rotary Club of Bombay.

It has been a privilege to watch your Rotary journey over the years. One of my earliest memories is of you as Club Secretary when I joined the Club. The dedication, warmth and efficiency with which you carried out that role left a lasting impression on me, and it was evident even then that you possessed the qualities of a future leader.

Your presidency also carries forward a proud Rotary legacy. Few have the privilege of building upon a Rotary heritage such as yours. Your father lived the ideals of Rotary with distinction, and those values are reflected in your own commitment and leadership. I am sure you will honour that heritage while creating a legacy that is distinctly your own.
